

The Rainforest Sound Collector – by Primary 5

*A tribesman called this morning
All dressed in orange and grey
Put every sound into a bag
And carried it away*

The chattering of the monkey

The snoring of the sloth

The roaring of the tiger

The fluttering of the moth

The thumping of the gorilla

The hissing of the snake

The whistling of the wind

The swishing of the lake

The fluttering of the butterfly

The buzzing of the bees

The howling of the monkey

The swishing of the trees

The squeaking of the grey mouse
The hissing of the snake
The stamping of the elephant
The squawking of the parrot as he starts to wake

A tribesman called this morning
He didn't leave his name
Left us only silence
Life will never be the same
